

Application Guidelines

AIM

The EAHAD Training Fellow Grants have been initiated with the aim to support short-term training opportunities for professionals early in their career, wishing to study at host institutions known for their expertise in haemophilia and allied disorders care. EAHAD wishes to provide financial support to enhance knowledge in our field with the objective of improving the care of patients with inherited and acquired bleeding disorders.

GRANT AMOUNT AND DURATION

In 2024, EAHAD will award up to three Training Fellow Grants. Each grant will be up to €10,000. The Training Fellow Grants will provide financial support for travel, accommodation and living expenses for a fellowship period of up to three (3) months.

ELIGIBILITY

- Applicants must be EAHAD Members.
- They must be working in the field of inherited bleeding disorders in Europe ¹.
- They must be clinicians and scientists at an early stage in their career (within 10 years of completion of PhD).
- They must be able to read, write and speak in English or in the primary language used at the host institution.
- Pharmaceutical industry employees are not eligible.
